Eric,

It isn't signed yet. I briefed management on Wednesday. They are waiting for the concurrence letter from NC. We should get that letter any day now. I will let you know when it is signed.

Good Friday afternoon to you both. If you are able, could you update me on the status of the signing of the ROD for the Horton Superfund site in Wilmington, NC? If completed, would you be able to send me an electronic version?

Thanks, enjoy your weekend!
